Legal notice.

Our catalogue is only intended for buyers who wish to use the goods and services exclusively within the scope of their independent professional, commercial, official or business activities and not for private individuals. All information on goods and services is non-binding and does not constitute a legally binding contractual offer, but only a so-called „invitatio ad offerendum“ (an invitation to submit an offer). If prices are stated in the catalogue, these are indicative and non-binding industry prices in EUR (for stand see back of catalogue) plus statutory VAT. In addition, if applicable, there are costs for finishing and other ancillary costs such as packaging, shipping and transport costs, customs duties etc., as well as (if applicable) the statutory value added tax. The product illustrations are not binding. We will be pleased to send you a sample for a precise assessment of the guaranteed properties and functions as well as the colour accuracy of a product. This sample is binding for placing an order. In the case of articles with advertising imprint, we will be pleased to provide you with a proof sample for binding approval of the print, the printing stand and the product characteristics. All articles with customer imprint shown in this catalogue are only for the performance presentation of

the printing technology and for reference purposes. The rights to the illustrated logos and brand names as well as to the illustrated custom-made products belong exclusively to the respective copyright/brand owners. Please note that in the case of set items which are marked „Made in Germany“ or „Made in Europe“, it is possible that not all individual components of the set are manufactured in Germany or Europe. However, it goes without saying that the main manufacturing or processing steps for sets marked accordingly are carried out in Germany or Europe (depending on the marking). Only the laws of the Federal Republic of Germany apply to the contractual relationship. The UN Convention on the International Sale of Goods (CISG) and the referral provisions of German international private law (IPR) shall not apply.

General information.

Please understand that we do not have the items in stock in all colours of our standard colour palette. Ask our sales staff for the available colours, minimum quantities and colour surcharges. We print exclusively with physiologically harmless inks. The disposal of the paints and screens is carried out in a closed system. Screens are recycled after use for technical reasons. For repeat orders, the sieve must be recreated and calculated.

For imprints, we need a copyable black-and-white original or a film 1:1, with transfer motifs reversed. In the event of necessary changes to your originals or multi-colour films, we will charge you the lithographic costs incurred by us. However, we will inform you in advance and make the changes only with your permission. It is also possible to create individual designs and final drawings on request. These will be invoiced by us at cost. An exact reproduction of the desired shade depends on the colour and condition of the item. For darker surfaces, white may be required.

Deliveries to new customers and abroad are made against prepayment or cash on delivery or irrevocable letter of credit.

The contractual relationship shall be governed exclusively by the laws of the Federal Republic of Germany. The UN Convention on the International Sale of Goods (CISG) and the referral provisions of German Private International Law (IPR) do not apply.

All our offers, deliveries and services are provided exclusively on the basis of our General Terms and Conditions of Delivery and Payment (GTC).

Some of the images shown in the catalogue have been edited using artificial intelligence (AI). Errors and misprints excepted.

Guidelines & Regulations.

Toys.

All offered children's toys comply with the European Directive 2009/48/EC on the safety of toys and the EN 71 series of standards. Toys may be unsuitable or dangerous for children of a certain age due to their function, dimensions, features, characteristics or other reasons. To further improve safety, the toy comes with warnings informing the consumer of the potential danger posed by the toy.

The following are the warnings that apply to the individual articles. Next to the offered items in this catalogue are small numbers that match the listed warnings.

1. Attention! Not suitable for children under 3 years, because of small parts that can be swallowed. Choking hazard!
2. Attention! Not suitable for children under 3 years. Risk of injury due to long cord.
3. Attention! Not suitable for children under 3 years. Danger of strangulation and tripping due to long cord. Do not use near power lines or during thunderstorms.
4. Attention! Use under the direct supervision of adults. Not suitable for children under 3 years. Danger of falling! The Schneeflitzy requires great skill in steering and braking, so learn to use it on flat, safe terrain. Use only by one person at a time.
5. Attention! Use only in shallow water under adult supervision. This is not a buoyancy aid! No protection against drowning!
6. Attention! Do not aim at eyes or face.
7. Attention! Use under the direct supervision of adults. Liquid can be swallowed!
8. Attention! Sharpener contains a sharp edge due to its function. Risk of injury!
9. Attention! Not for transporting children!

All information with „+“ is to be understood as an age recommendation or as an educational note.

Sporting items, fan items, decorative items.

The sports, fan and decorative items offered in this catalogue are sold as such. In order to prevent possible confusion with toys, these items are marked with the following inscription.

Sport „Sporting goods - Not toys!“

Fan „Fan items - Not a toy!“

Deco „Decorative items - Not a toy!“

REACH.

All offered articles comply with the European Regulation No. 1907/2006, Registration, Evaluation, Authorisation and Restriction of Chemicals. The EU's objective is to produce and use chemicals in such a way as to minimise adverse effects on human health and the environment.

Customer information.

We hereby confirm, in accordance with Article 59 (1, 10) of the EC- Regulation number 1907 / 2006 (REACH), that articles delivered by us do not contain substances of the candidate list above 0.1% mass. We undertake to regularly compare our products with the substances specified in the candidate list in accordance with the REACH Regulation. Insofar as we determine that our products comply with Art. 33, we will inform you about this immediately and take appropriate measures in individual cases.
